## BANFF BEAUTY WINTER QUEEN

Ski-joring behind a fast running horse; mushing with a team of huskies; skating; or ski-ing on the mountain trails all come under the heading of real sport according to Miss Dorothy Stanish, who reigns this year during the winter sport season in the Canadian Rockies. Visitors from many United States cities as well as from Canadian centers are enjoying all the thrills which only this area can provide, and which reach a peak during the annual Banff Carnival held this year February 13-17 inclusive.

### SACRED HEART CHURCH

Mass ..... 11.00 a.m.

Rev. Fr. J. C. LYNETT

## H. H. Stevens Speaks Highly of Boy Scout Movement

Ottawa—The serious importance to Canada of assuring high ethical standards in the training of our future citizens was referred to by the Hon. H. H. Stevens in an interview with reference to announced plans for the expansion of the Boy Scout Movement.

That Canadian youth never before has played so important a role in shaping the Dominion's destinies, and at the same time never have presented so difficult a social and economic problem, was the declaration of the former Minister of Trade and Commerce and first chairman of the Price Spreads Commission.

Mr. Stevens said: "Never in the history of this country has youth been more prominent in its effect upon the future of the country.

"On the one hand trained and informed young men and women are taking a larger part in the major activities of the country.

"On the other hand one is forced to admit that the most serious social and economic problem we have today is how we are to care for, in useful occupation, the thousands of youths that are leaving our educational institutions year by year.

"The Boy Scout movement has been one of the greatest factors in the development of character in youth; and character, after all, is the most essential element in the upbuilding of a true citizen.

"No greater contribution could at this time be made to the country's welfare than just such contribution as is being made day by day by the Boy Scout movement."

In spite of 40 below zero weather, a large gathering attended the annual congregational meeting and supper at the United Church last Friday evening.

## Interference!

To Electric Light and Power Consumers:

An unusual amount of interference this winter has been spoiling good programs and causing disappointment to those who listen to the "Programs on the Air."

All radio owners will appreciate it if the use of washing machines be confined to Monday or between the hours of 12 and 4 on other days of the week.

## THE OYEN NEWS

## About Town and Country

A whist drive and dance will be held in the Masonic hall, Oyen, on "Bobbie Burns Nicht", Friday, January 25. Admission 35 cents.

Mr. R. E. Gillespie left this morning for Stettler where he will spend a week.

Mr. and Mrs. J. B. Lowe entertained at their home last Friday evening, when over 20 young people were present to extend their congratulations to Becket Lowe who was celebrating his 21st birthday. The evening was pleasantly spent at contract and after a sumptuous supper, dancing.

One of the best records of attendance in the history of the two schools of agriculture at Olds and Vermillion is being experienced this term. At Vermillion 170 students are in attendance, while the enrollment at Olds is 180, a total of 350 in the two schools.

## Arrest Follows Wife's Death

William Hawryliuk, farmer, is under arrest following the death of his wife from exposure and injuries allegedly sustained in an altercation at their home fifteen miles north-west of Youngstown. The Hawryliuk home is located in a sparsely settled district with no telephone communication and roads at present are badly blocked with snow.

Constable Murphy of the R.C.M.P. left Oyen Monday evening in response to a call from a neighbor, and on arriving at Youngstown by freight train, left immediately by team for the Hawryliuk home, returning to Youngstown later with the prisoner and the body of the dead woman. The six small Hawryliuk children are now being cared for by neighbors. An inquest is to be held Thursday afternoon.

## District Shivers in Sub-zero Weather

The cold spell which got under way a few days before Christmas, produced a steady week of the most bitterly cold weather experienced in this district for years. The low points for the last seven days were: —38, —40, —41, —41, —32, —33, and —38 below zero. Zowie!

Dr. Esler of Cereal was a visitor in town this morning.

Total motor vehicle licenses issued in 1934 were 88,497, of which 73,114 were passenger cars and 15,383 were trucks. In 1933 85,250 licenses were issued, 71,076 of these were passenger cars and 14,174 were trucks. Gasoline revenue for 1934 was \$2,656,669 compared with \$2,322,992 for 1933.

## Will Study Soil Drifting Problem

For the purpose of studying the problem of soil drifting and making what recommendations they feel necessary to the provincial government for meeting the problem, a special committee has been named by Hon. F. S. Grisdale, minister of agriculture, who announced the personnel last week.

The committee will include O. S. Longman, provincial field crops commissioner; E. L. Gray, deputy minister of municipal affairs and former field crops commissioner; Dr. F. A. Wyatt, soils expert of the university; M. L. Freng, district agriculturist at Lethbridge; J. E. Palmer of the federal experimental farm at Lethbridge; L. Kool of Monarch; J. J. Strang of Claresholm and A. C. B. Grenville of Morrin.

A meeting of the committee will be held shortly to organize and prepare a plan of operation.
